About me

A Digital Designer & Web Developer with a Bachelor degree in Communication Design. Experienced in branding, print design, app UI, photo editing, web design and web coding. Versatile, hard-working and flexible, I am self motivated and open-minded to new creative ideas. I always strive to achieve the highest standard possible at any given task. Over my career, I have developed the necessary skills to work under pressure and in ever-changing environments. I'm a flexible professional who enjoys learning new skills and keeps up-to-date with the latest digital trends.
